Blues Life is full of misery. Blues, Dreams

6 why don't you let me be? Don't know why
are like a memory, Bring-ing back

10 you keep on haunting me Love
your love that used to be. Tears

14 was never meant for me, True love
so many I can't see. Years

18 was never meant for me. Seems some-how
don't mean a thing to me. Time goes by,

22 we never can agree.
and still I can't be free.
